KEYS

tandem & Information Security Conference

April 5 - 7, 2017
Courtyard Marriott • Allen, Texas

Join Us for K.E.Y.S.

The CoNetrix K.E.Y.S. Conference is an annual information security and technology event for financial institutions and users of the **tandem** software. Designed to provide Knowledge Essential to Your Security, the 7th Annual CoNetrix K.E.Y.S. Conference will provide a gathering place for financial institutions to share ideas and gather pertinent information related to today's regulatory landscape.

Educational

With old favorites, such as the **Conversation with Examiners**, and new experiences, attendees will have the opportunity to learn about security in an interactive environment.

Additionally, software sessions will cover **tandem** modules, providing a great oportunity to work with software specialists and learn about using **tandem** to solve pressing issues and enhance your financial institution's cybersecurity preparedness.

Budget Friendly

Early Bird Conference Cost: $535
Conference cost includes the sessions, conference materials, meals, entertainment, and more.

Hotel: $139/night
Enjoy a stay at the Courtyard Dallas Allen at the John Q. Hammons Center.

Transportation & Location
Located near metroplex airports, you'll find easy venue access and a variety of shopping and entertainment options.

Stay tuned to CoNetrix.com/KEYS for registration and reservation details.

Mobile Ready

Be sure to bring your laptop or mobile device to the 2017 K.E.Y.S. Conference!

Workshop time and internet access will be provided to help you work on your Information Security Program with CoNetrix security experts.

Additionally, the **K.E.Y.S. App** will allow you to setup your agenda, get conference announcements, fill out session surveys, participate in conference games, and win prizes.

> "Great Conference!!! All information provided is something that you can start using right away.
> - IT Officer, $300mil Bank in Texas"
