5

Penetration Test Planning

Is there any regulatory guidance on the frequency of testing? How many tests should I conduct outside of the audit?

CoNetrix

6

Penetration Test Planning

Is an external penetration test sufficient or should I also do internal and wireless tests?

CoNetrix

7

Penetration Test Planning

Is an assessment rather than a test good enough?

CoNetrix

8

Penetration Test Planning

Internal vs. External testing – What expectations and goals should be set for these two types of pen tests?
